

## Feedback on Implementation of New Instructional Approach

<b>Objective</b>	Receive feedback from colleagues on implementation of the New Instructional Approach in order to refine the technique.
<b>Purpose</b>	To receive feedback on the implementation indicators of New Instructional Approach to allow teachers to make adjustments to instruction that support the resolution of the learner-centered problem and problem of practice.
<b>Recommended time</b>	15-20 minutes
<b>Preparation</b>	Teacher receiving feedback should provide a copy of the lesson plan clearly laying out how they intended to incorporate the New Instructional Approach. Any relevant student work or low inference notes from classroom observations should be at hand.
