

CHSTV LIVESTREAM VOLUNTEER CREW MIDDLE SCHOOL SIGN-UP SHEET

Details: Volunteering with the CHSTV Sports Livestream crew is a great way to learn how a live, multi-camera sporting event is produced. This year we have added an amazing Graphics and Instant Replay technology and it is the same system used by ESPN.

If you are interested in working a game, please fill out the grid below. You will be trained to operate one of the cameras when you arrive.

Your main contact is the Sports Livestream producer, Finley Dicus. His cell # is (760) 442-6262.

We will post the Basketball Livestream schedule closer to season start.
