

Team Managers

Team managers can:

All divisions.

1. Arrange for scorekeepers and people to set up the diamond.

**We decided a few years ago putting out the bases and lines or scorekeeping or standing on 3rd base for a game was not a volunteer commitment, rather just part of being a part of a team. Team managers can help arrange for this help, and one less nagging job for coaches.

2. Help with team photos. Collect money. Communicate with photographer. Pick up and distribute photos.

3. Help with Minor softball day communication. *info on this will come later*

4. Uniforms, get the paperwork filled in and sent back to the director. Collect and return deposits if applicable. Collect and return jerseys, if applicable.

5. Arrange for team umpire advocate.

6. Ensure porta potty and blue bin is locked.
