

**School One Portfolio
Subject Assessment Sheet**

Student _____ **Subject Area** _____

Assess your overall experience in this subject area while at School One. In doing so, consider your skills (if any) in this area when you started at School One, any progress you have made, accomplishments of which you are proud, and where you skills stand today. **Specifically, include skills that you have built that reflect those in the Mission Statement and Portrait of a Graduate as these will be part of your G.B.R.**
