****Information We Collect****

The IQ app may collect and use the following types of information:

****1. Personal Information****

The app may request and collect personal information when you use certain features, such as your name, email address, or other contact details. This information is used solely for the purposes of providing personalized services and will not be shared without your consent.

****2. Permissions****

The app may request and use the following permissions for the following purposes:

- Access to the internet: To enable online features and content.
- Access to network state and Wi-Fi state: To check network connectivity for app functionality.
- Access to audio recording: To record audio for specific app functions (To Covert Audio to Text).
- Access to external storage: To read data required for app features (To Share the Answer and To Save the Answer which is given by AI).

****How We Use Your Information****

We use the information collected for the following purposes:

- Provide, maintain, and improve the app's functionality and services.
- Personalize your experience within the app.
- Communicate with you and respond to your inquiries.

****Third-Party Services****

The IQ app may use third-party services, including but not limited to app analytics, advertising, and social media integration. These services may collect and use data according to their privacy policies.

****Data Security****

We take reasonable measures to protect your information from unauthorized access, disclosure, alteration, and destruction. However, no method of data transmission or storage is entirely secure, and we cannot guarantee the absolute security of your information.

****Changes to this Privacy Policy****

We reserve the right to update or modify this Privacy Policy at any time. Please check this policy periodically for any changes. Your continued use of the app after any changes indicates your acceptance of the updated policy.

****Contact Us****
