

E.C.P

Elite. Certification. Program

OVERVIEW

The E.C.P (Empire/Elite Certification Program) has only one goal:

To test and certify exceptional NFUs seeking to provide their services in the Nyxian Empire.

Granting certifications for combat techniques, weapons technology, utility/survival skills and duty requirements.

- The E.C.P is the beginning of a **Non-Force Users** career in The Shattered Empire and is required for qualifying for multiple services and abilities provided to players IC and OOC.
- Once a member has graduated E.C.P they will receive their letter of recommendation to join any of NFU accepting faction as well as have their elite Class designated as Esk (Equivalent to a Sith Apprentice)

*Sith Academy Instructors may pick up requests of teaching NFUs Universal Skills listed under the “training-makeup-requests” channel as part of our mutual cooperation initiative.

- It is assumed in character, that all of the proper background checks and security clearances were completed prior to the Recruit/Registry into the E.C.P.

Instructor for the E.C.P

- To instruct within the E.C.P, one must have been certified by the Officers and/or the Deans of E.C.P & join as a Supervisor.
- The player must send their interest and request to one of the members on the Board of Imperial Education.
This can be done via;
 - RP-Comms (as an official in-character message)
 - During SOCIAL events
 - OOC DM (on Discord) or Whisper (in-game) to set up a meeting.
- The E.C.P does NOT take a faction slot for members until they become a Provost (If desired).
