

Taylor Piano Studio Policy, Mountain Arts Community Center

Fall 2026

Enrollment with Taylor Piano Studio gives you access to a time slot for weekly 30-minute lessons and to two student recitals a year. Your enrollment also helps fund my professional development and exploration of new teaching resources. Thank you for partnering with me!

Fall '26 Rates

Rates: Pre-3:30pm: **\$30** per week time slot is available

Post-3:30pm: **\$34** per week time slot is available

Expectations

- I will help students develop their skills as pianists and musicians. I will communicate practice expectations to students. I will offer two recitals a year. I will communicate books and materials I recommend for your purchase.
- I expect students to practice regularly and to follow directions.
- I expect parents to help their children carve out a regular practice time, and to find alternate times to practice when life gets busy.

Prerequisites

Before beginning lessons, students must:

- Have an instrument at home in good condition. Acoustic pianos need tuning annually; digital pianos need weighted keys.
- Sign an Enrollment form agreeing to this policy.
- Update an Availability form, which I will consult to offer a regular time slot and to help navigate any rescheduling needs. Treat this form as an informed guess as to your usual availability.
- New students must make a Practice Commitment.

Fall '26 Term (Mon., Aug. 10 – Fri., Dec. 18)

(Please refer to the Calendar below for detailed dates.)

Enrollment is made for a term at a time or for the remainder of the term.

When you accept a time slot, it's yours for the term unless we agree to reschedule it.

Until Wed., Aug. 5 I will give priority access for Fall time slots to students who started with me before 5/22/26, and who have completed their Availability and Enrollment forms - assuming we find a mutually agreeable time slot. As of Thu., Aug. 6 students on my waiting list who have met the **Prerequisites** (see above) will gain equal access to time slots.

Student cancellations:

- Calendar dates in green: Not normally refunded. Rescheduling in advance is encouraged. I want to give my students as many lessons as possible, so I'll be happy to try to find another student who'd like to swap time slots!
- Calendar dates in yellow: Optional – I will check in advance if you'd like a lesson, and won't charge for cancellation.
- Calendar dates in red: Teacher not available.
- One free lesson per Spring term: For students starting before Fri., Oct. 16. Applied to term's last bill (1/1/27). Also covers emergencies (inclement weather, teacher sickness, etc.)
- *If you are new to my studio and feel my teaching style is not the best fit for you, please let me know after a few lessons and I won't require you to finish the term.*

Teacher cancellations (beyond the free lesson):

- More than one week's notice: No charge.
- Less than one week's notice: No charge, and next lesson is half price.

Payment

At the beginning of each month I will email your bill for the previous month. Payments are due within 14 days of receipt, or will incur a 10% fee.

Payment methods, in order of preference:

1. Venmo: handle @Jeremy-Taylor-5000
2. Check: address to Jeremy Taylor
3. Cash

Referral Bonus

When a new student mentions you've referred them, once they've completed 12 lessons with me I will apply 4 free lessons to your next bill.

Summer '27

Rate: \$34 per lesson given

In contrast to Spring & Fall terms, for the Summer I will charge for lessons given rather than for the weeks I've made the time slot available. We'll still pick a regular time slot, but rescheduling is easier and student cancellations are free as long as they're not made the same day.

Please call or email me with any questions, requests or concerns!

Sincerely,

Jeremy Taylor
