

## Nuttie Buddies (Directions)

Materials: gameboard, pair of dice, 15 markers for each player

Number of players: 2

Directions:

1. Each player places all of their game markers on any number on their gameboard.  
There may be more than one marker on a number.
2. Each player takes a turn rolling the dice and finding the sum.
3. The player may remove one marker from the sum that was rolled.
4. If there is not a marker to take off the gameboard, the player loses their turn.
5. The player that clears their gameboard first is the winner.

NOTE: There are two different gameboards. Nuttie Buddie 1 uses smaller numbers as well as less numbers. Nuttie Buddie 2 uses larger and more numbers.
