

Unit(s): eight

40 minutes

Name: _____

Grade: 9th

Question one: Read the following text carefully and answer the questions that follow:

(10 marks)

The Masri family and the Haifawi's are neighbours. One day, Mrs. Masri became sick. She stayed in bed. Her elder daughter, Sameera, is only fourteen years old. She could manage everything except cooking, so the neighbours cook food for them everyday. Today, it's Mrs. Haifawi's turn. She prepared a delicious meal. Mrs. Haifawi sent the food with Hadeel. Sameera was very happy and thanked Hadeel and her aunt, Nada.

A) Say whether each of the following sentences is True or False:

1. The neighbours are helping the Masri family. _____
2. Sameera is 14 years old. _____
3. Sameera is doing everything for her family even cooking food. _____

B) Answer the following questions:

1. Why are the Masri family in trouble?
2. How did the Haifawi family help the Masri family?

C) Say what the underlined pronouns refer to:
