Title	Taekwondo
Introduction Who is she?	Have you ever heard of a sport named taekwondo? Have you ever heard of someone named Andrea Kilday?

What is her sport?

Paragraph One: Explain how hard she works to be one of the best in taekwondo.

Andrea Kilday is the only person in Aotearoa who is doing taekwondo for the Rio Olympics. Andrea kilday has sacrificed her lounge for a training area. She has to train early in the morning , during the afternoon and late at night. She also has to look after her two boys and drop them off at school. She then goes back home to train and then picks up her boys. She also trains late at night and she gets up early in the morning to train.
Her goal is to get in the Rio Olympics.

Paragraph two: Explain what the problem is.

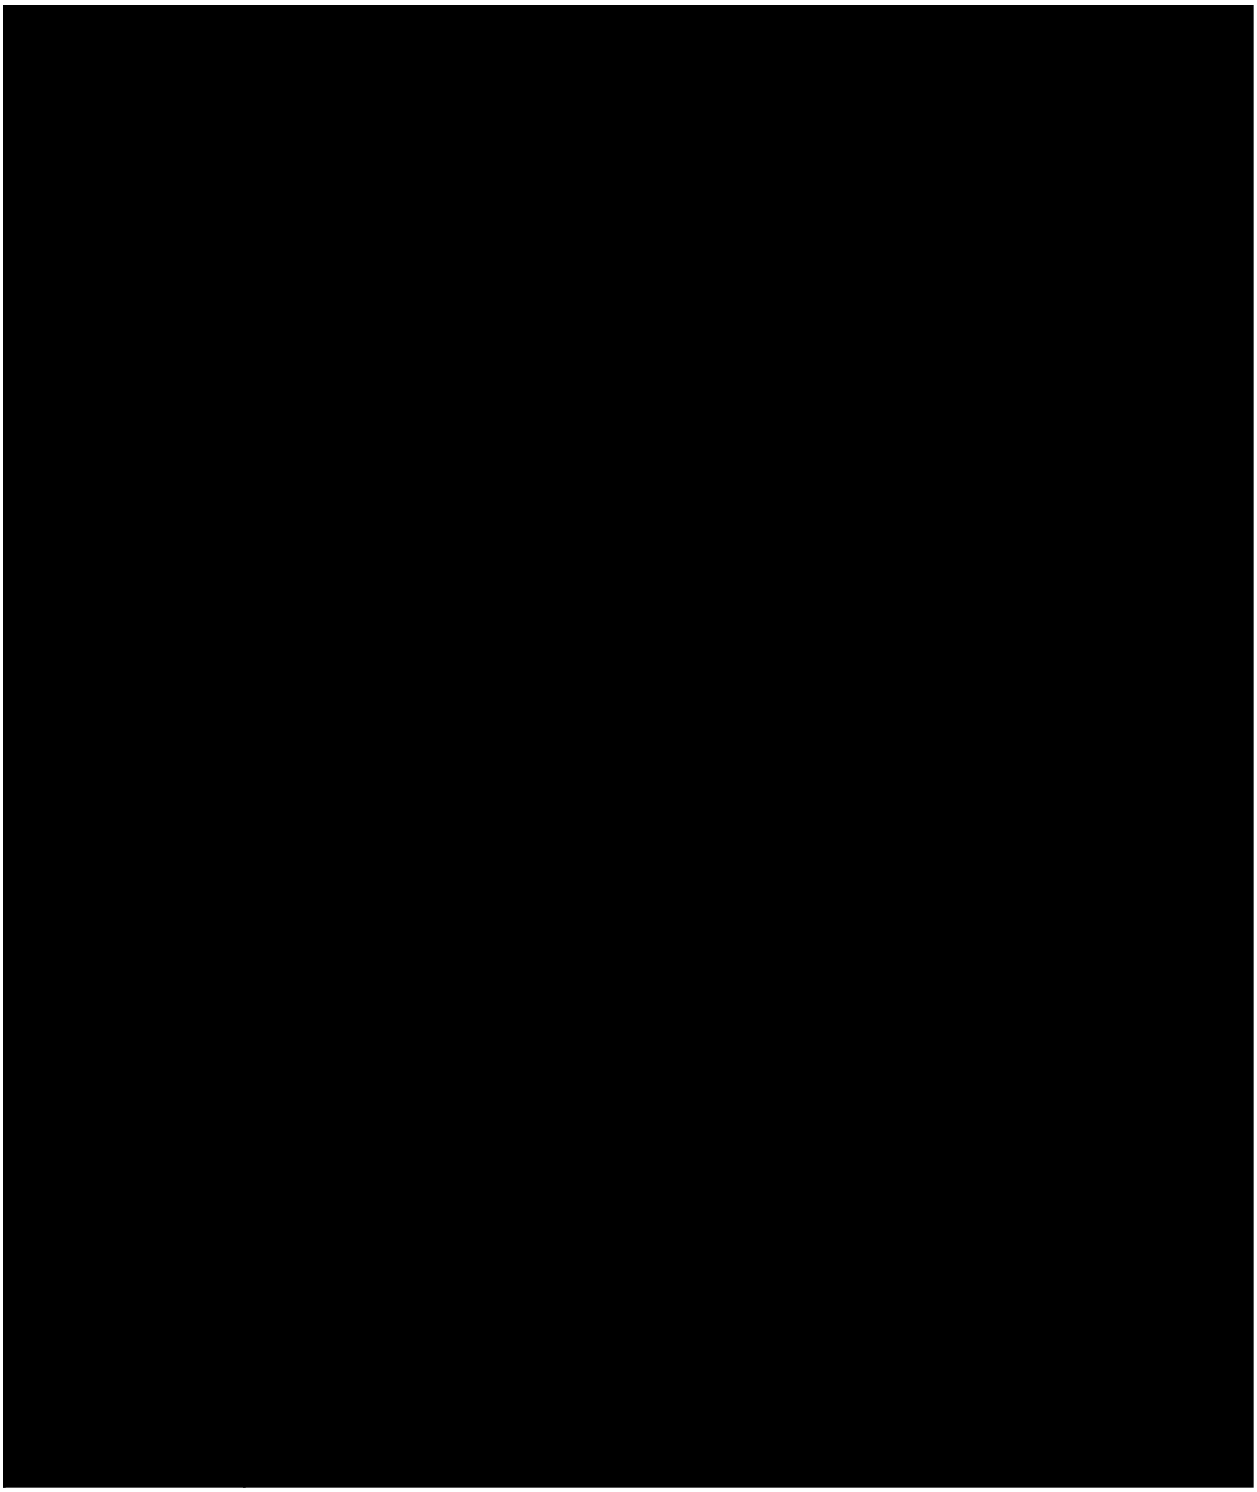

At first Taekwondo New Zealand weren't helping Andrea with money to get to The Olympics.
But when her story was on the news Taekwondo New Zealand felt embarrassed so they gave her $3,600 but that wasn't enough. Andrea has to pay for her training , equipment and trips by herself.

Conclusion: Explain what you think about this and what you think about Andrea Kilday.

I don't think it's fair for Andrea because they didn't give her enough money.I think Andrea is going do great in the Olympics.
