

Students for Life members invites all St. Patrick Students to volunteer at Elijah's Closet from 10am to 12pm on Saturday, August 23rd. You are responsible for transportation. We will help organize donations, make bundles for foster families and families in need, and help with their thrift store. Please sign up by Thursday, August 21th in order for us to let them know how many students to expect. We are hoping for a minimum of 10 students, however we are happy to have more than 10. **Please put your school email next to your name for an email reminder about your commitment to serve on the 23rd.** Family members are welcomed to serve with us.
