

Middle Creek HS Choirs
"EXCELLENCE IS OUR STANDARD, NOT OUR GOAL"

Greetings from the MCHS Choir Room!

We are gearing up for our biggest performance of the year which will be held on Tuesday, December 12th. More information below, including some highlights of other events!

We had an incredible soccer match on October 30th against the band students with our final score being 6(Band)-5 (choir). We are sad to have lost BUT excited to present a truly musical selection with you at our Choir Concert that was chosen by the band for us to perform. Check out our current Hoofprint Magazine, featuring many of our students in choir, including an article about our Match! [November](#)

We are so proud of our two students Gemma Gilbert and Wren Waldrup for their performance in the North Carolina Honors Choir on November 5th. They were 2 of 177 singers selected out of 1100 students that auditioned across the state of North Carolina. Congratulations!!

Our choir club MCHS Sings, will meet on the following days: Nov 29 and Dec 7 from 2:30-3:30pm. We hope any students interested will still join us as we prepare to perform at the Winter Choir Concert!

Do you work for a business or know a company that would be willing to financially support our Choral Program? We are looking for new Patrons to help support our learning in the music classroom. This includes buying new music, inviting musicians and clinicians into the classroom, scheduling a visit from NC College Choirs, sponsoring students that need financial assistance in our classroom and making each of our events spectacular!

If you know someone that would be interested in becoming a Choral Program Patron, please share this link with them! <https://givebutter.com/mchschoirpatron>

On Monday, December 4, Panera (Kildaire Farm Road/Tryon Road near Walmart, Cary) will host a spirit night for the MCHS Choir program! Share with your coworkers, family members and neighbors that this fundraiser is from 4:00pm-8:00pm. We will receive 25% of sales from this event!!

Middle Creek HS Choirs

"EXCELLENCE IS OUR STANDARD, NOT OUR GOAL"

Our Winter Choral Concert is fast approaching so I wanted to relay all the information out to you ahead of time. Our Concert will take place on Tuesday, December 12th at 6:30pm in the MCHS Auditorium. Students will wear their Formal Attire to this event. All paid formal attire will be sent home this week. Students will need a pair of black dress shoes to wear with their formal attire. Students wearing the dress should wear close toed low heel (or flats) dress shoes. Suggestions are on our [website](#).

You can purchase Concert tickets and preorder flowers via this link.

<https://givebutter.com/MCHSconcert>. Tickets will be sold at the door but please arrive early enough to purchase and find a seat by 6:30pm. Doors will open 6:00pm. We will host a small reception to celebrate their concert following their performance. We look forward to seeing you there!

To prepare for this concert, students will stay after school for our Concert Dress Rehearsal on Monday December 11th from 2:30-5:30pm in the MCHS Auditorium. If there are conflicts with either the rehearsal or the concert, Families need to communicate them by Wednesday Dec 6th through a note or email. All students who miss either the rehearsal or concert will have a make up assignment. Students that do not attend the rehearsal are subject to not performing at the concert. Any emergencies can be communicated through email to asiedschlag@wcpss.net

I hope students will take advantage of all the great opportunities to get involved over the next several weeks at the Creek! Please don't hesitate to reach out if you have any questions!

Sing-cerely,

Andrea Siedschlag
