The Library of Lost and Found **by Phaedra Patrick**

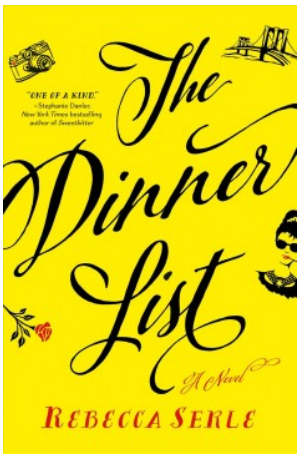

An International Bestselling Author Librarian Martha Storm has always found it easier to connect with books than people -- and sometimes feels like she's invisible. That changes when a book of fairy tales arrives on her doorstep. Its dedication is written to Martha herself by her beloved grandmother Zelda, who died under mysterious circumstances years earlier. When Martha discovers via a clue in the book that her grandmother may still be alive, she's determined to discover the truth. As she delves into Zelda's past, she unwittingly reveals a family secret that will change her life forever.

"I have five words for Rebecca Serle's *The Dinner List*: wistful, delicious, romantic, magical, love."
--Gabrielle Zevin,*New York Times* Bestselling Author of *The Storied Life of A.J. Fikry* and *Young Jane Young*

"We've been waiting for an hour." That's what Audrey says. She states it with a little bit of an edge, her words just bordering on cursive. That's the thing I think first. Not: Audrey Hepburn is at my birthday dinner, but Audrey Hepburn is annoyed."

At one point or another, we've all been asked to name five people, living or dead, with whom we'd like to have dinner. Why do we choose the people we do? And what if that dinner was to actually happen? These are the questions Rebecca Serle contends with in her utterly captivating novel,*The Dinner List*, a story imbued with the same delightful magical realism as *One Day*, and the life-changing romance of *Me Before You*.

When Sabrina arrives at her thirtieth birthday dinner she finds at the table not just her best friend, but also three significant people from her past, and well, Audrey Hepburn. As the appetizers are served, wine poured, and dinner table conversation begins, it becomes clear that there's a reason these six people have been gathered together.

***Small Blessings* by Martha Woodroof**

From debut novelist Martha Woodroof comes an inspiring tale of a small-town college professor, a remarkable new woman at the bookshop, and the ten-year old son he never knew he had.

Tom Putnam has resigned himself to a quiet and half-fulfilled life. An English professor in a sleepy college town, he spends his days browsing the Shakespeare shelves at the campus bookstore, managing the oddball faculty in his department and caring, alongside his formidable mother-in-law, for his wife Marjory, a fragile shut-in with unrelenting neuroses, a condition exacerbated by her discovery of Tom's brief and misguided affair with a visiting poetess a decade earlier.

Then, one evening at the bookstore, Tom and Marjory meet Rose Callahan, the shop's charming new hire, and Marjory invites Rose to their home for dinner, out of the blue, her first social interaction since her breakdown. Tom wonders if it's a sign that change is on the horizon, a feeling confirmed upon his return home, where he opens a letter from his former paramour, informing him he'd fathered a son who is heading Tom's way on a train. His mind races at the possibility of having a family after so many years of loneliness. And it becomes clear change is coming whether Tom's ready or not.

A heartwarming story with a charmingly imperfect cast of characters to cheer for,*Small Blessings*'s wonderfully optimistic heart that reminds us that sometimes, when it feels like life has veered irrevocably off track, the track shifts in ways we never can have imagined.
