

Privacy Policy

Last updated: March 3 2026

This Privacy Policy describes the policies and procedures on the collection, use, and disclosure of your information when you use the Service provided by **Zip Zip** (hereinafter referred to as "the App", "We", "Us", or "Our") and tells you about your privacy rights.

Interpretation and Definitions The words of which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning regardless of whether they appear in singular or in plural.

Collection and Use of Your Data We do not knowingly collect any personally identifiable information (PII) from users. However, the App does use third-party services that may collect information used to identify you.

Third-Party Service Providers We use third-party services to facilitate our Service, to provide the Service on our behalf, or to analyze how our Service is used. We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Log Data We want to inform you that whenever you use our Service, in a case of an error in the App, we collect data and information (through third-party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the App when utilizing our Service, the time and date of your use of the Service, and other statistics.

Advertising We use Google AdMob to display ads in our application. Google AdMob may use device identifiers or other data to serve ads that are relevant to you. By using the App, you consent to the collection and use of information for advertising tracking as described in this policy.

Children's Privacy Our Service does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do necessary actions.

Data Deletion Requests Since we do not collect or store significant user data on our servers (such as accounts or profile data), there is generally no account data to delete. However, if you believe we hold any personal data about you (e.g., through support emails), you may request its deletion by contacting us at the email address provided below.

Security We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Changes to This Privacy Policy We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
