

Orbot: Well, Cubot, we've made it to the end of the Round!

Cubot: Oh wow, the end is coming already.

Orbot: And our last contestants are...

The chairs are empty, and the room is silent.

Orbot: ...not here.

Suddenly a time machine drops through the roof, out comes Mullet Man and Suzuha.

Yotsuba: Hiya!

Mullet Man: Ah shit, sorry we're late.

Suzuha: But it was worth it!

Mullet Man: Yeah, we went back to 1987 to catch a Huey Lewis and the News concert, back in their prime.

Suzuha: Y'know, I never considered listening to them... I'm not sure if I even heard of them before, but that convinced me!

Mullet Man: A live concert with those guys can convince anyone.

Cubot: So, uh, who are the News?

Mullet Man: Well, the rest of the band members.

Cubot: Oh! I thought he performed with a weather man or something!

Orbot: No, Cubot, why would a weatherman play music?

Cubot: That's a good question!

Orbot: Anyways! You two are time travellers, correct?

Suzuha: Yep!

Orbot: So, how did you two meet?

Mullet Man: Well, I met Suzuha as John Titor on a time travel forum. I put my ad on that same forum and she was interested, rest is history!

Orbot: Ah yes, forums, the perfect way to meet anyone.

Suzuha: Don't knock the anonymity of a forum!

Cubot: So, uh, what does YTMND stand for?

Mullet Man and Suzuha: You're the man now, dog!

Mullet Man: Finding Forrester is a classic, I gotta show you two one day.

Orbot: I do wish to become more cultured in the world of film.

Mullet Man: Oh I got plenty of classics to watch, Suzuha here would know.

Suzuha: I knew of some classic movies from workin' in a TV shop. We sold some films with those things, but his knowledge is something else!

Orbot: Well, thank you for answering everything! We'll see you all again soon!

Orbot, Cubot, Mullet Man, and Suzuha wave goodbye to the camera before it cuts out.
