

Clever Errors

If the below image pops up you can enter your standard password (Dcsd and then your lunch number, for example if your lunch number is 123456 then your password would be Dcsd123456). If this does not work you can click on "Forgot your old password?" and it will proceed to the second screen that says, "You may proceed...All local data will be lost." Please click "Proceed anyway" (all your work should be stored in Chrome and not actually lost).

If you see this screen you can enter your lunch number (without the Dcsd) and it should allow you to proceed.

This sign-in service, hosted by clever.com, is accessing your camera.
