Paisley Volunteer Fire Department

Is the only structural fire department between Summer lake and valley falls. PVFD takes pride in providing structural fire protection for the city of Paisley and for years we have provided protection to the surrounding area at little or no cost. However as donations and budgets dry up and fire fighting becomes more and more expensive the city of Paisley and PVFD have enacted a billing policy over the past several years in order to cover increased costs and call volume. In order to help with those costs and to help keep your worries to a minimum if a fire happens at your home or around your home in the event of a wildland fire, PVFD has the following program in this pamphlet.

Paisley Volunteer Fire Department is happy to offer the following options for your fire protection needs:

1: Single family dwelling and all out buildings located within 100 feet of the main residence
\$75/ year

2: Two family dwellings and all out buildings located within 100 feet of main residence
\$125/ year

3: Three or more family dwellings and all out buildings located within 100 feet of the main residence
\$175/ year

4: Corporation or large property owner with multiple structures located on multiple properties
\$250/ year

The areas defined will be from mile marker 109 highway 31 to Lehman ranch (24 ranch) approximately mile marker 75.

What does this membership do for you?

Fire fighting is expensive and becoming more so every day on any given fire you could be out hundreds or even thousands of dollars depending on how large the fire is or how many engines and fire fighters we bring. By paying a annual fee PVFD will not send you a bill for any services rendered. We will still bill your insurance but anything that is not covered under insurance will be considered paid in full.

I have a membership with HDRFPA am I already covered?

No you are not covered for structural fire protection with the HDRFPA membership as they are rangeland only and cannot fight a structural fire. However with this membership you will be covered if the HDRFPA puts us on standby at your property in the event of a wildfire.

If I don't join does that mean PVFD wont respond to a fire?

No. PVFD will respond to a fire regardless of membership status or ability to pay. As PVFD does not believe that someone's economic status should determine whether or not you receive help when you need it the most.

Does this only cover fires?

No. While fire fighting is PVFD's primary function if the Paisley Disaster Unit needs our help for a lift assist or if you are involved in a automobile accident this membership will cover you for anything insurance does not cover for PVFD cost.

What will my membership money go towards?

Any money brought in from this membership will be used for purchasing additional equipment to better protect homes located out side of city limits and will be used for fuel and other necessities for out side city limit response

Can I save money on my fire insurance?

Yes. In most cases when you are a member of a fire service your insurance

company will offer discounts on your fire insurance.(you must check with your insurance company to find out if or how much you will save as PVFD has no control over that.)

How do I become a member?

To become a member simply fill out this form and send it to PVFD at P.O. BOX 27 Paisley Oregon 97636 or drop it off at the Chewaucan garage with payment. Checks can be made out the Paisley Fire Dept.

I have a question not answered here how do I ask?

Simply contact PVFD at (541)943-3124
Via email at paisleyvfd@gmail.com
Or connect with us on facebook at Paisley Volunteer Fire Department
