D.J. Augustin: 75 OVR (+2)

Shelvin Mack: 74 OVR (+1)

Terrence Ross: 74 OVR (-1)

Orlando may have finally put it together. Aaron Gordon should continue to climb the league rankings.

J.J. Redick: 78 OVR (-1)

Dario Saric: 77 OVR (-1)

Markelle Fultz: 77 OVR (-3)

Jerryd Bayless: 74 OVR (+1)

Ben Simmons looks like the clear favorite for Rookie of the Year. On the other end of the spectrum, 2017 number one pick Markelle Fultz has been awful. Even though Fultz has been playing hurt, I question whether he'll be able to play off Simmons long-term.

Mike James on a G-League contract has been the best point guard in Phoenix.

The Blazers have gotten off to slow starts over the last couple years but are looking to rectify that this season with McCollum blazing guns out of the gate.

It shouldn't surprise that Aldridge is playing well with Kawhi Leonard out of the lineup, as he needs a healthy dose of touches to stay effective.

The Kings look like their usual mess. Hill and Randolph were marquee signings for a franchise that struggles to attract talent, but neither one has yet to pay off.
