

Draft 4

WHO: About yourself

WHAT: The person is trying to figure out what to do, and who they are

WHERE: In their headspace

WHEN: At all times of the day, Sept 12, 2023

WHY: They've always felt like they don't know who they are

WHAT ARE THEY FEELING: Confused, hopeful, lost,

WHAT DO THEY WANT: peace of mind, resolution, to feel comfortable with themselves.

It took all my strength
I thought I was destined for great things
Sometimes I forget where I came from
And explore what is hidden

My mind works like the ocean
Grasping my potential as it dodges and weaves
But I Run, run, run away like I always do
Not completely

Art helps me vent emotion
To stop repeating the same mistakes
I feel lost in this world
How could I have possibly gotten here?

Life is an uppercut
And every second is precious
A poem or a mess
I won't give up

Never savoring the moment
I wish I enjoyed feeling happy
A bridge from mind to soul
Love and happiness is like a beautiful mountain lake

Draft 3

To explore what is hidden
It took all my strength
What if I had been destined for great things
Never forget where you came from

My mind works like the ocean
Grasping my potential as it dodges and weaves
Run, run, run away like you always do
No way, not completely

Art helps me vent emotion
I feel lost in this world
How could I have possibly gotten here
Stop repeating the same mistakes

Life is an uppercut
Every second is precious
A poem or a mess
Don't give up

Never savoring the moment

Love and happiness is like a beautiful mountain lake
