

Indian Journal of Artificial Intelligence & Law

Call for Papers | Indian Journal of Artificial Intelligence and Law, Volume 1, Issue 1 (2020) | Submit by May 15

The Indian Journal of International Law is a biannual law journal covering technology law in a combination of theoretical and practical approaches. It also provides coverage of the relationship between law and artificial intelligence in businesses, education, research and innovation practices.

The Aims and Objectives of the Journal are as follows:

- To establish the manifest nature of academic learning and research in AI Ethics by endorsing systemic studies and exploration in various dimensions of AI and Social Sciences;
- To encourage academic and applied innovation in AI Ethics and Law by democratizing and opening opportunities in publication, presentation and discussions for R&D Projects;
- To encourage certain initiatives within the ambit of ISAIL;

Nature of Submissions:

The Submissions are comprised of 3 kinds:

1. Discussion Papers
The policy documents written and analysed by our Interns under the ROI Programme shall be published in the Journal;
2. Technical and Legal Articles (Long Articles)
Any article (from the domains of IT and Law) with due adherence to the themes are tenable to be published in the Journal;
3. Case Comments on Law & Technology Issues
Case Comments on issues related to Law and Technology can be published in the Journal;

Guidelines for Manuscripts:

All articles must be original and not simultaneously submitted to another journal. The following article categories are welcome:

Artificial Intelligence and Law: Philosophy, Technology and Theory

- The Turing Test and its Significance
- Dartmouth Principle and its Relevance
- Artificial Life

- Cognitive and Developmental Systems CI: Computational Intelligence (General/Other)
- Evolutionary Computation
- Fuzzy Systems
- Heuristics, Meta-Heuristics and Hyper-Heuristics
- Human-Like Intelligence
- Hybrid Computational Intelligence
- Natural Language Processing
- Brain-Sensing and Analysis
- Human Computation
- Human-Agent Negotiation
- Human-Aware Planning and Behavior Prediction
- Human-Computer Interaction
- Human-in-the-loop Planning/Learning
- Human-Robot/Agent Interaction
- Interaction Techniques and Devices
- Language Acquisition
- Learning Human Values and Preferences
- Planning and Decision Support for Human-
- Machine Teams, Teamwork, Team formation
- Understanding People, Theories, Concepts and Methods
- User Experience and Usability
- The Criminology of Artificial Intelligence
- Active Learning
- Adaptive Data Analysis
- Adversarial Learning, Robustness, and Uncertainty Quantification
- AutoML
- Bandit Algorithms
- Bayesian Learning
- Causal Learning
- Classification and Regression
- Clustering
- Data Mining
- Deep Learning
- Dimensionality Reduction/Feature Selection
- Ensemble Methods
- Evaluation and Analysis (Machine Learning)
- Evolutionary Learning
- Feature Extraction
- Interpretable Machine Learning Kernel Methods
- Learning Preferences or Rankings Learning Theory
- Machine Learning (General)
- Manifold Learning

- Meta-Learning Metric Learning
- Model Selection and Structure Learning
- Multi-instance/Multi-label/Multi-view learning
- Neural Networks
- Online Learning
- Probabilistic Graphical Model
- Reinforcement Learning
- Relational Learning
- Representation Learning
- Self-Supervised Learning
- Semi-Supervised Learning
- Similarity and Distance Learning
- Spectral Methods

Artificial Intelligence and Law: International Relations and Public Diplomacy

- AI, Elections and Public Governance
- Psychographics & Public Diplomacy: the Cambridge Analytica Case
- AI & Diplomacy
- Innovative and Automated Learning

Artificial Intelligence and Law: Economics and Market Ethics

- Algorithmic Policing
- Algorithm Pricing and Competition Law
- AI and the Financial Sector
- Economic impact assessment through AI
- Economic impact assessment of AI
- Economic viability of introducing AI: Sector Specific

Artificial Intelligence and Law: Data Ethics and Social Sciences

- AI and Data Processing
- Robotic Justice in Indian Administrative
- AI in the Health Care Sector
- AI in Education System
- AI and Health Care
- Geriatric Care and AI
- AI and Disability
- AI and Data Protection
- AI and Algorithmic Bias
- AI and Environment Protection
- AI and Agriculture

Editorial guidelines:

1. The abstract must not exceed **800** words in length and must not be less than **500** words in length.
2. The article/case comment/book or article review length must not exceed or concede out of the range of **4,000-10,000** words.
3. The object and clarity of the paper decide its selection and publication process.
4. Co-authorship is allowed to a maximum of **7** authors.
5. All references should be done in the format of in-text citations following the **ISO 690:1987 (First Element & Date) standard**. No references are allowed whether in the format of endnotes or footnotes. However, footnotes providing further information or subjective notes are allowed. Use **Springer LNCS** for the format of the paper draft.
6. Also, kindly provide a Bibliography of List of References as well.
7. Kindly register using Google Forms at <https://forms.gle/V7T2Kdx5JobjrDpg6>.
8. Provide your ORCID (Kindly register at orcid.org for free), in your paper submitted to us at easychair.org.
9. Ensure the originality of the research work submitted. The work has to be fully referenced, and all authors should be accurately represented. Kindly get acknowledgement letters from co-authors before the submission for no objection, if your paper is accepted for publication.
10. Kindly submit the abstract first in the form of a PDF to us at the portal. After due approval given by the team, kindly connect with the team and mail in the revised copies at isaillige@gmail.com as requested.
11. Our team will contact you after your paper selection for the due submission of your ORCID.
12. The submission must be exclusive. It must not be published or submitted anywhere else, all, or in part. In case of submission anywhere else, the author should intimate the team clearly on this and get clearance from the Editorial Board if the same is approved based on the circumstances.
13. Disclose sources of all data and third-party material, including previously unpublished work by the authors themselves.
14. Strictly avoid fabrication of research data as well as manipulation of existing data.
15. Openly declare any conflicts of interest – for example, if the research work was intended to benefit any particular service or institute in which the author's interest lies. If the submitted work contains a significant conceptual or textual reproduction of the research work undertaken by/for such institution, then kindly submit acknowledgement letter from the relevant authority.
16. Expect accurate plagiarism checking measures. Submissions will be scrutinized for plagiarism of words, ideas, writings, information, illustration, graphic representations, printed and electronic materials, and any other original work. The correct citation is essential.

17. Do proper referencing in the submission by strictly following the recommended citation style. At any stage of the editorial/review process, author(s) will be directed to undertake this themselves if the submission has not used proper referencing styles. Maintain good communication and cooperate fully with the editorial team.
18. All the selection remarks for the papers will be provided on EasyChair to every individual applicant with the case whether their paper is approved or not.
19. Only 1 paper can be submitted per participant. More than one papers are not allowed. If the guidelines have not adhered, the paper shall stand disqualified with the due notification issued.
20. The papers reviewed and approved by the Peer Reviewers and Editors will be published in our upcoming issue of the Journal with an ISSN. The Journal may be available in other possible forms and forums. The team will be in the process of attainment of adequate recognition standards for the articles published, for which, we will contact you and intimate shortly.

Deadlines for the Paper Submissions (according to Indian Standard Time):

Deadline for Paper (with and without abstract submission): **May 15, 2020**

Intimation of Selection of Paper by Assessment: **31 May, 2020**

Link to registration: <https://forms.gle/V7T2Kdx5JobjrDpg6>

Website: isail.in/journal

Payment Fee and Process:

We do not charge any fee for the purpose of publication.
