

Information about the author

1. Last name, first name:

Zharylkassynova Zhuldyz.

2. Position, academic degree, title:

master of technical sciences, assistant of the department "Safety and quality of food products".

3. Education:

- Almaty technological university, faculty of food production, diploma of ZhB-B № 0086167 dated July 01, 2015, specialty 5B070100 – "Biotechnology", 2015;
- Master's degree in technical sciences of JOOC-M № 0120245 dated July 01, 2017, specialty 6M073200 – "Standardization and certification", 2017.

4. Field and directions of research, including participation in scientific projects with a brief description of the results of the study:

Field and areas of research:

- scientific substantiation of the safety of gallette for long-term storage, research of outlet with the addition of a plant component scientific work.

5. List of the most significant publications (monographs, patents, developed standards):

1. Zharylkassynova Zh.A., Iskakova G.K., Kizatova M.Zh., Muldabekova B.Zh., Azimova S.T. Research on the quality of long-term storage gallette // Bulletin of KazNTU, RK, Almaty. № 5 (135), 2019 y.-P.553-558;
2. Iskakova G.K., Zharylkassynova Zh.A., Mustafina Z.K. The study of the quality of gallets "Sarbazdar" // Best Student Paper. Penza, 2019. -P.77-79;
3. Zharylkassynova Zh.A., Mustafina Z.K., Iskakova G.K., Kizatova M. Zh., Muldabekova B.Zh. Possibility to use pectin in the production of gallets //Materials of the international scientific and practical conference "Innovative development of food, light industries and the hospitality industry", ATU, October 24-25, 2019-P.109-110;

4. Iskakova G.K., Dairasheva S.T., Zharylkassynova Zh.A. Influence of pectin concentrate on the safety of galette // INPC "Food: production, safety, quality", Bashkir State Agrarian University (Ufa), 2019 -P.253-256;
5. Iskakova G.K., Kizatova M.Zh., Zharylkassynova Zh.A. Prospects for the use of pectin in the food industry // Priority directions of development of science and education. Collection of articles of the VI international scientific-practical conference;
6. Zharylkassynova Zh.A., Iskakova G.K., Kizatova M.Zh.,Azimova S.T. The study of qualitative indicators of sugar beet used in the production of pectin // Taraz Regional University named after M.H. Dulati "Mechanics and technology", Taraz, № 3(69), 2020. - P. 70-77 conference;
7. Iskakova G.K., Kizatova M.Zh., Chakparov E.K., Zharylkassynova Zh.A. Method of galette production // Useful model patent RK № 4511 from 26.11.2019;
8. Zharylkassynova Zh.A., Iskakova G.K., Kizatova M.Zh., Azimova S.T., Nabieva Zh.S., Mustafina Z.K. Method of galette production // Useful model patent RK № 4825 from 26.03.2020.

6. Scientific internships:

- ITMO national research university (institute of precision mechanics and optics), Russian Federation, St. Petersburg, 2017.

7. Achievements in research and teaching activities (awards):

- letter of thanks for active participation in the development of educational and pedagogical activities of ATU, 2021;
- diploma of the first degree and a medal for participation and victory in the Republican contest "The best young specialist – 2022", 2022.
