Sentinel Drone

White dog AI machines!

Promethian Knight

Flying Promethian Sounders

Promethian Beamer

Misc:

Cartographer and energy stuff in a fun facility!

Place cortana - after an initial area where you enter a portal and see "advanced AI." You can use that area and other stuff to make your own cortana. Really, it's likely just an AI that's based on her to an extent. Unless you tweak it.

Portal energies
