

# Great Western Network - Financial Guidelines

## Annual Membership Fees:

All GWN member schools : **\$4,000** per year.

Members of the Public Schools in Bismarck, Mandan and Minot as well as GWN member ND State colleges are not assessed a membership fee unless they agree to accept the financial responsibility of a private school in their city. Conditional upon: (a) they are a sending site only, (b) their own students do not receive ITV instruction and (c) they provide an ITV "sending" classroom within their building/district/campus upon request.) This conditional waiver is evaluated during the fall billing process.

## Tuition Costs Per Student - Regular ITV & CTE courses

GWN Members: **\$600** per student per full year course / **\$300** per student per ½ year course.

Non GWN Members but have membership in another ND ITV consortium: **\$700** per student per full year course / **\$350** per student per ½ year course.

- Schools that are not members of an ITV consortium in ND will not be allowed to receive a GWN ITV class.

**College and Dual Credit courses** No reimbursement and/or stipends are given to teachers or schools from GWN for a college taught course. GWN does not charge tuition. The college handles all financials and billings for tuition.

## Reimbursement Rates from GWN to Schools holding their ITV teachers contract

When there are *8 or more students at receiving sites*, the sending school will receive a reimbursement from GWN for **\$8,000** per class taught.

When there are less than *8 students at receiving sites*, the sending school will receive a reimbursement from GWN for **\$4,000** per class taught.

## Teacher Stipend Rate per ITV class taught – (non GWN contracted teachers)

*With 8 or more students at receiving sites* : ITV teacher will receive a reimbursement from GWN (sent to the teachers school business manager) for **\$3,000. (tffr & fica are to be paid by the sending school funds)**

*With less than 8 students at receiving sites* : ITV teacher will receive a reimbursement from GWN (sent to the teachers school business manager) for **\$2,000. (tffr & fica are to be paid by the sending school funds)**

- The school business manager will incorporate the stipend reimbursement amount into their payroll for the teacher.

## GWN Contracted Teacher Stipend

**\$1,000** per period taught by consortium contracted teacher. (maximum \$4,000) (The LEA holds the contract)
