Cannabis Products Available

The Woods Cannabis offers several legal product categories for eligible adult customers. Inventory may change, so customers should confirm current availability through the official menu or store page.

Cannabis Flower

Cannabis flower may be available in different strains, package sizes, terpene profiles, THC and CBD levels, and brand tiers. Customers can compare affordable products with premium cannabis selections supplied by licensed producers.

Legal flower products include regulated packaging and cannabinoid information. Some products may be described as lab tested within the regulated supply chain, but customers should rely on the official label and producer information rather than unsupported claims.

Cannabis Pre-Rolls

Pre-rolls provide a convenient alternative to preparing loose flower. Available options may include singles, multi-packs, infused varieties, and premium products.

Cannabis Edibles

Cannabis edibles may include gummies, chocolates, chews, and other ingestible products. Regulated packaging displays THC and CBD content, package details, and serving guidance.

THE WOODS

Edibles can take longer to produce noticeable effects than inhaled products. Customers should follow label instructions and avoid consuming additional servings too quickly.

Cannabis Beverages

Cannabis beverages offer a non-smoking format and may vary by flavour, cannabinoid profile, package size, and producer.

Cannabis Concentrates

Concentrates and extracts are processed cannabis formats that may contain higher cannabinoid levels than standard flower. These products are generally more suitable for experienced consumers familiar with careful handling and responsible use.

Cannabis Vape Products

Vape products may include cartridges, disposable devices, and compatible hardware. Customers should confirm product compatibility and follow all manufacturer instructions.

CBD Products

CBD products may include oils, capsules, edibles, beverages, balanced flower, and other formats. Customers should review both THC and CBD information before making a purchase.

Cannabis Accessories

Cannabis accessories may include grinders, rolling papers, storage products, cleaning supplies, and other items intended for legal adult use.

How Shopping Works

Shopping at The Woods Cannabis follows a straightforward process.

1. Visit the Brampton location or browse available products online.
2. Bring valid government-issued photo identification.

THE WOODS

- 3. Confirm that you meet Ontario’s legal purchasing age.
- 4. Browse regulated cannabis categories and review product labels.
- 5. Ask staff for general product guidance when needed.
- 6. Complete your purchase and follow Ontario rules for responsible cannabis use.

Customers may use online ordering to review products before visiting. Unlike general online stores, a licensed cannabis retailer must follow provincial rules concerning age verification, legal product sourcing, pickup, and any approved cannabis delivery services.

When cannabis delivery is available, customers should provide an accurate delivery address and follow all verification requirements. Current delivery coverage, service hours, fees, and eligibility should be confirmed through the official store website.

Cannabis Pricing Factors

Best Cannabis Products for Different Customers

First-Time Cannabis Shoppers

New customers may prefer clearly labelled products with lower THC levels, balanced THC and CBD profiles, standard pre-rolls, CBD products, or carefully portioned edibles.

Beginning with a small amount and waiting before consuming more is especially important with edible products.

THE WOODS

Experienced Cannabis Consumers

Experienced shoppers may explore premium flower, infused pre-rolls, concentrates, extracts, and higher-potency vape products. These formats require careful handling and responsible consumption.

CBD-Focused Customers

CBD customers can compare oils, capsules, edibles, beverages, and balanced cannabis formats. Staff can explain product labels and categories but cannot provide medical advice.

Recreational Shoppers

Recreational cannabis shoppers can choose among flower, pre-rolls, edibles, concentrates, vapes, beverages, CBD products, and accessories based on preferred format, budget, and experience level.

Customers Seeking Premium Cannabis

Premium cannabis selections may include specialty flower, premium pre-rolls, concentrates, infused products, and products from established licensed producers.
