- 13th Movie Night
- 17th at 9:00 Rodney College Enrollment for Year 8's here

September

- 3rd Netball /Touch
- 24th Mud Run Fundraiser

Ngā mihi o te tau hou.

Welcome back to Term 3 and the second half of 2021! It has been one crazy ride so far, so I'm hoping for a quiet settled end of the year.

We welcome our new families to our school community: The Davey and Otway Families

I wish to thank our team for holding down the fort while I cared for George. Special thanks to Annette who acts in my stead while I am out of school. You're a champion.

George has had new hybrid gear installed and hopefully with the medications he is on, we are on a smooth path from here on in!

We welcome Mandy Cummins to our staff as Cook. I can confirm Lisa Corbett is back for the rest of the year in Cleasby Room. I will restart Reading Recovery and be starting a Junior Literacy Programme.

Whaea's Farewell

Thank you to all of you who attended this special goodbye. Linda loved her gift of a greenstone pendant. (See photo above) I was pleased with our school's performance and a thank you goes to Riana and the staff for their hard work in getting our Kapa Haka ready for this event. Our next performance is the festival on 18th September.

Netball Canteen:

This weekend we are in the canteen at the courts in Wellsford and can use this as a fundraiser for new netball uniforms. Please if you have a child playing netball help out with this event. More details to follow.

PPTI's: 5th August

We will be having Kids Kare for the PPTI's (Parent, Pupil, Teacher Interviews) for those parents that are unable to pick your child/ren up at 12:30. Please let the office know and also know that there is a fee of \$10 for Kids Kare for between the 12:30 - 2:30 time. If you wish to use this service please let the office know so that we can make sure that there is the proper adult to student ratio.

Then if you have your child in Kids Kare after 2:30 normal fees will apply on top of the \$10. Also if your child is staying for Kids Kare they will need to have a lunch brought to school on this day.

Skool Loop is up and running so you can book a time for your interviews, as they will be going out in the next few days. If you have not received a Skool Loop notification let the office know. It may mean that an update is needed on our app.

I will be in my office for anyone to pop in and chat. The bell will ring to ensure we keep to the times.

Ag Day

Animals: It is well and truly that time of year again. From the 1st of July calves, lambs and kid goats can be chosen for Calf Club Ag Day. They must be born from the 1st of July.

Chickens have been picked up. To our new families if you would like a chicken for Ag Day talk to Denice. She might be able to organise them for you. Just know they would be over a week old.

White Elephant - We have started collecting for this. So if you are having a clean out over the holidays keep this in mind. We do not do clothes as in the past clothes have been an issue. We do take all other items. Think if you would like it someone else might too.

High Fives to:

Mandy for setting up ready for our on site lunch programme.

Denice for shopping on school break for School lunches

Term 3 Lunch Programme

This kicked off today with Mandy preparing the first of our delicious menu.

We will eat lunch at 1pm with the whole school eating together. We will start classes at 1-30pm

You still need to supply a healthy morning tea: Fruit, small (40g), muffins or healthy oat biscuits, muesli bars without loads of chocolate etc.

If your child is not having a school provided lunch, they also must only have a healthy option lunch from home on those days.

Ideas? Try: <https://www.modernhoney.com/back-to-school-kids-lunch-ideas>

<https://nutritionfoundation.org.nz/nutrition-facts/nutrition-a-z/lunchbox-ideas>

<https://kidspot.co.nz/school-age/back-to-school/lunchbox/>

This is really important so that everyone is on the same eating plan.

We also need clean plastic containers and lids that you have when you get takeaway chinese. Or ice cream containers with lids. We want to use these rather than buying more plastic for any extra food that might be left over.. Please send these to school.

After School Programme: Continuing into Term 3!

Our school offers an after-school programme. This is from 2-30pm to 5-30pm in school terms. We need to charge for this programme, to cover costs at \$15 per session. We are happy to have further enrollments and will take casual attendance while numbers make that possible. Please contact the office for enrollments in the first instance. If you have any questions regarding Kids Kare you can direct them to Robyn at kidskare@tauhoa.school.nz

Pool Keys: Do You Still Have Yours????

Now that the pool is closed can you please return your pool keys to the office? If you would like to have your bond refunded let Denice know otherwise we will carry it over to next season. Next

season those who do not have children at our school will have a surcharge to pay as part of the cost.

Movie Night

It's been awhile and we are having a movie night. For those of you that haven't been before this is an evening out at the movies here at school. Tickets will be at the door, but if you are coming you can let us know as we want to make sure we have enough popcorn, drinks, ice creams... for sale on the night. We will ask the students that week to get an idea of numbers. We haven't decided on what films we will have yet but they will be recent films yet to be on SKY. We usually have an action type movie for the adults and a fun and recent movie for the kids, we might have a couple choices this time for the kids. Tickets cost \$3 for kids and gold coin donation for adults plus there will be drinks and munchies on sale at the door. Often the adults bring their own nibbles... Doors open at 6:45pm and movies start at 7pm. We usually have a break part way through to get up and have a stretch, toilet break if needed and visit with each other. It is always a good family night out. Some families bring their own bean bags and pillows. Everyone is welcome to come. It is a fun night and great way to get to know other families in a relaxed format.

Mud Run

Back by popular demand is the Mud Run. The sponsorship forms and prize selection is coming home shortly! Start thinking about who you can ask to sponsor your child this year!

Tae noa ki muri.

Vivienne Goldsmith

Principal

PS I have heard some confusion regarding a word I used in my speech. The word was funk: *If you're in a funk, it means that you've been feeling sad. You might be in a serious funk after your best friend moves across the country. One way to use funk is to mean "blues" or "depression."* Hence: "the school was in a bit of a funk!"

Local Ads

Chris has requested to have the following in the Tattler:

I have got a friend who needs to lease land near Tauhoa School to put up a caravan (their children need to study at Tauhoa School), The land needed is around 1 acre or more. My friend would like to pay \$280 per week as a land leasing fee.

If you could help them out with land leasing information, you can get in touch with Chris White through the following email:
