##### Missions

- Don't do them out of order
- (*Leave 34 for the final boss*)
- 11: brake points are first sidewalk after bridge, 2nd set of tents, far second sidewalk
- 12: brake in a straight line, stay on the track, watch for random understeer
- 13: sidewalks as brake markers, trail braking is okay, be aggressive, penalties kill
- 14: brake early, be patient on inputs
- 15: don't slide the car, careful at the top of the hill
- 16: aggressive on brakes, cut final chicane
- 17: aim from end of left kerb to beginning of right at T1, don't shortcut hill
- 18: shortcut Dunlop and Ford Chicanes
- 19: control throttle, manage oversteer, easy
- 20: brake LATE
- 23: need good drafts on each straight, catch draft of lead car into T3
- 26: careful T1, full throttle 130R, cut final chicane
- 27: P2 out of last corner
- 28: careful for brake rotation
- 29: brake slightly early for T1, cut top of hill
- 30: late apex T1, go outside white STI
- 31: wallride T1
- 32: brake early, use 2nd gear
- 33: understeer on brakes, cut top of hill
- 34: good fucking luck lol
