ABSTRACT (FONT ARIAL-ROUNDED 10)

1. Objective (mandatory):

2. Qualitative/quantitative research methods (required)

- 3. Findings and Originality/Value (required)
- 4. Research limitations and implications (if any)
- 5. Practical implications (if any)
- 6. Academic implications/further research (required)

ARTICLE HISTORY

Sent xx - xx - xx

Accepted xx - xx - xx

Approved xx – xx - xx

Published xx – xx - xx

KEYWORDS

5 Words in phrase form

- 1. The year of citation must be colored, for example (xxx & xxx, 2020)
- 2. Paragraf spacing 1 cm
- 3. All added images/tables/diagrams must be adjusted to the order of 1 column to make it easier for reviewers to observe the meaning of the image. Images/charts must be analyzed and ensured to be related and support the clarity of the topic. The title of the image/table/diagram is placed on the left side of the font size 10 and the contents of the text in the table font size 10

JOURNAL OF ENGLISH LITERATURE AND PEDAGOGY RESEARCH

Journal Homepage: www.baliacademicpublishing.com

1. Introduction (FONT ARIAL-ROUNDED 11)

- 4. Previous studies/research (required). Discuss scientifically by explaining the research findings and differences with the current study.
- 5. Key concepts and theories used or adapted in the article.

2. Litterature Review (FONT ARIAL-ROUNDED 11)

To write sub-chapters, please write the title in italics as in the example below

- 2.1. Definition and Concept of Sustainable Tourism
- 2.2. Natural Resources Management for Tourism etc...

3. Methodology (FONT ARIAL-ROUNDED 11)

- 1. Briefly describe the research methods section and its purpose.
- 2. State the overall approach (qualitative, quantitative, or mixed methods).
- 3. Describe the type of research design you used (e.g., case study, experimental, survey, ethnography).
- 4. Explain why this design is appropriate for your research question or hypothesis.
- 5. Describe the population from which the sample was drawn.
- 6. Describe details about the sample size and key characteristics (e.g., demographics, inclusion/exclusion criteria).
- 7. Describe the sampling technique used (e.g. randomised sampling, convenience sampling).
- 8. Describe the instruments and tools used for data collection (e.g. questionnaires, interviews, observation checklists).
- 9. Describe the steps followed in data collection, including how, when and where the data was collected.
- 10. Data Analysis Methods: Quantitative Analysis (describe statistical techniques and software used to analyse data e.g., SPSS, regression analysis, ANOVA); or Qualitative Analysis (describe how qualitative data was analysed e.g., thematic analysis, coding, content analysis).

4. Disscussion (FONT ARIAL-ROUNDED 11)

- 1. Analysis results
- 2. Answer the formulation of the problem / research objectives; and reflect on the theories / concepts used

- 3. To write sub-chapters, please write the title in italics as in the example below
- 4.1. The Strenght of Sumba Island
- 4.2. Weaknesses of Sumba Island

Etc...

5. Conclusion (FONT ARIAL-ROUDED 11)

Conclusions include:

- 1. Motivation for conducting this study
- 2. Theoretical/practical findings and implications (REQUIRED)
- 3. Research limitations

6. Future Research (FONT ARIAL-ROUNDED 11)

Reference (APA Referencing Style 6th, Font ARIAL-ROUNDED 10) (FOLLOW THIS EXAMPLE)
