

I believe in being honest

**I believe in being
true**

**That honesty
should start with
me**

**In all I say, in all I
do**

I'll form good habits

**in my youth
To keep my word,**

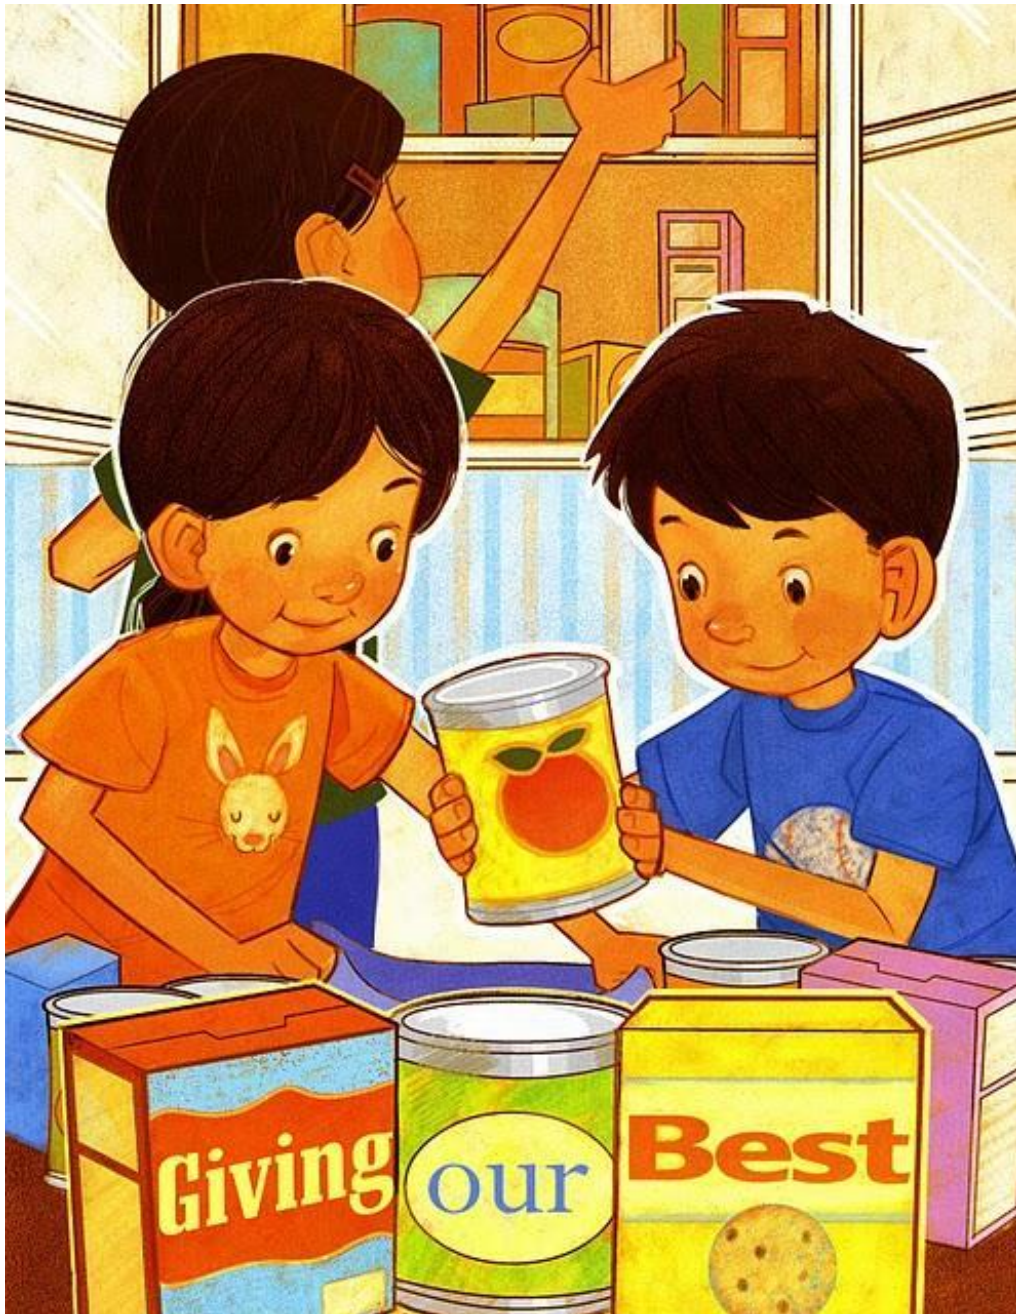

to tell the truth

To speak up

**In defending right
And keep my name**

**And honor bright
I believe in being
honest**

**I believe in being
true**

**That honesty
should start with
me**

**In all I say, in all I
do**
