Student Parking / Winter driving / Student Drop Off & Pick Up

We have been lucky so far with winter weather, but we are New Englanders and we know that our luck will eventually run out with the winter weather we are accustomed to. With that in mind, here are important reminders to allow for safe and efficient parking and traffic.

- **Driving**
 - Drivers please be extra cautious and aware and follow the posted and established parking and driving routes. Winter weather impacts road conditions and visibility and adhering to established routes and expectations will only help in maintaining an efficient and safe traffic process.
- **Student Drop Off & Pick Up**
 - Please remember that student drop off and pick up is required in the designated Drop Off / Pick Up Area in the lower parking lot. The Drop Off / Pick Up Area consists of white lined marked space before and after the staircase. Please help with traffic flow by having your student exit or enter the car at any time your vehicle is stopped between the lines of the designated Drop Off / Pick Up Area.
 - Student drop off / pick up in the upper parking lot, closest to the school, is not a designated Drop Off / Pick Up Area and is only for those individuals who have a physical necessity.
- **Student Parking**
 - Unfortunately we have reached our student parking capacity, there are no more available student parking spaces. At this time Student Parking is closed for any new drivers.
 - Non-registered drivers are not permitted to park on school grounds and any violators are subject to towing at the cost of the vehicle owner.

SCHOLARSHIP OPPORTUNITY

The **2023 Mary Margaret Trant Nursing Scholarship** was created in 2021 to assist worthy nursing school students with financial grants which may be applied towards the cost of tuition, books, and equipment. Applicants must be accepted to an accredited nursing school. The deadline for applying is May 1. Please go to the Guidance Department to pick up an application.
