

Privacy Policy Stamper Simple Note Last updated: Jun 1, 2026

MW_daddy ("We") operates the "Stamper Simple Note" application (the "App"). This policy explains how information is handled when you use our App.

1. Data Collection and Storage

- Local Storage: All your data, including notes and location information (GPS coordinates and address labels associated with your notes), is stored exclusively on your local device.
- No Data Transmission: We DO NOT collect, store, or transmit any of your personal information or location data to our external servers. Your data remains entirely under your control on your device.

2. Third-Party Services (Advertising) To keep the App free of charge, we use Google AdMob to display advertisements. AdMob may collect certain non-personally identifiable information, such as your device's advertising ID (ADID), to provide personalized and relevant advertisements. You can learn more about how Google handles this data by visiting [Google's Privacy & Terms](#).

3. Policy Changes We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated "Last updated" date.
