School Council - Who We Are

We are a group of parents who are interested and motivated to make our children's learning environment an exceptional place for lifelong skills. We are committed to supporting the staff at our school and see the value of providing a bridge between the school and families that are brought together here at Central.

Essentially as a council, we hope to enhance student experiences, nurture connections, foster goodwill, enrich our school community and build a legacy.

- o Joe Feta's ordered for teachers 'Thank You' lunch. Cost was \$753.34 From staff:

Dear School Council,

I wanted to extend a BIG thank you - un GRAND merci - for organizing the staff luncheon this past Friday. The food from Joe Feta's was absolutely fantastic and very much appreciated by everyone.

Even more meaningful, though, was the opportunity it created for staff to connect, relax, and enjoy time together. These moments make a real difference in building a positive and supportive school community.

Thank you again for your thoughtfulness and generosity—it was very much appreciated.

Mille mercis,

Mme A-H
