About me

Hey, my name is Jaden and I'm a manager based in Asia. I'm currently a student studying in Hong Kong at an IGCSE level where I'm currently studying subjects such as Business, Economics, English, Maths + more. I specialize in General, Operational, Team and financial management in Esports teams.

Esports Management

Speciality:

Player/client relations, Operations Management, Team/Staff management, Financial Management, General management, Discord/server management, Recruitment/scout management, Organization management, Sponsorship/Partnership management (Affiliations, sponsors, investors etc), approaching/negotiation management.

Esports team speciality: General/Team/Financial management

Past experiences as an esports manager & discord/server manager

My role as a manager:

- I can lead the management team making sure every manager is utilized to the best of their ability.
- I can make professional contracts for all positions making them as detailed and professional as possible to not create confusion between the org and member
- I can make investment/merge/partner/sponsorship proposal pitch decks to further increase the chances of attaining the positions listed above
- I can approach and negotiate terms with future players or current players to benefit the org as much as possible
- I can make a financial spreadsheet to keep all data organized
- I can help artists with working with our players
- I can make sure players are getting paid on time
- I can track the team's expenditures and budget for the month
- I can help with player offerings

- I can help with improvements on discord servers
- I can handle staff/player applications
- I can find appropriate investors for the team
- I can organize when players should announce arrivals
- I can make a financial spreadsheet to keep all data organized
- I can work on affiliations, partnerships and sponsorships
- I can talk and contact players to make them happy and help them with any issues to further support them and I

My experiences as an Esports manager:

Crow Esports Head Manager (Current)

Heaven Esports Head Manager

S3ven Esports Head Manager

Trinity eSports Head Manager

Team Overclock Manager

Level Esports Manager

Crown Gaming Manager

Fluid Esports Manager

Infernal Esports Manager

Personal Management

What I can do for you as a manager

As a manager I would help do the following:

Competitive player:

- Make sure the organization you're joining is reputable
- Make sure you as a player gets paid on time and for the right amount
- Make sure you're getting paid fairly or even more than you're worth
- Make sure the splits that you may have in your contract is not over the top and unfair
- Make sure all the clauses in you (player) and them (org) are fair and do not have any grey area or unfair clauses.

- Assisting with affiliations, sponsorships and collaborations
- Potentially finding new organizations that are reputable that you could join

Content Creator

- Make sure the organization you're joining is reputable
- Make sure you as a player gets paid on time and for the right amount
- Make sure you're getting paid fairly or even more than you're worth
- Make sure the splits that you may have in your contract is not over the top and unfair
- Make sure all the clauses in you (player) and them (org) are fair and do not have any grey area or unfair clauses.
- Make sure all videos posted that you (CC) have been executed and produced to you and your production teams to the best of their ability on top of getting in contact with editors/designers for your video.
- Helping out with content ideas that you (CC) could use
- Assisting with affiliations, sponsorships and collaborations
- Potentially finding new organizations that are reputable that you could join

GFX/VFX Artists

- Make sure the organization you're joining is reputable
- Make sure you as an artist gets paid correctly after every commission you do
- Make sure you're getting paid fairly or even more than you're worth
- Make sure that all the clients pay you sufficiently
- Make sure all the clauses in you (artist) and them (org) are fair and do not have any grey area or unfair clauses.
- Assisting with affiliations, sponsorships and collaborations
- Potentially finding new organizations that are reputable that you could join
- Tracking clients through a spreadsheet to help remind you (editor) and the client.

If you as the clients want to add more things that I was the manager can assist you with, you can ask in DMs
