

Watson E&D, Spring 2020  
Group 2

Work in small groups to complete this exercise. Use your [course guide](#) as a starting point.

1) Choose a topic for exploration (should relate to substance use in college-aged adults):  
College students using nicotine

2) List possible keywords describing your topic to use in locating resources:

E-cigs,  
College  
cigarette  
influence  
nicotine  
addiction

3) Each group member: cite one relevant book you discovered in the catalog on your topic:

- Johnston, Lloyd., O'Malley, Patrick M, Bachman, Jerald G, National Institute on Drug Abuse, and University of Michigan. Institute for Social Research. *Smoking, Drinking, and Illicit Drug Use among American Secondary School Students, College Students, and Young Adults, 1975-1991*.
