

SCULLEN ORCHESTRA PRIVATE TEACHERS 2022-2023

Private Lesson Information

Individual private lessons are a wonderful enrichment experience for all students and are the best way for students to progress quickly on their instrument and help them maintain interest in their musical studies. Private teachers help students with everything from Solo and Ensemble Festival pieces to learning more advanced skills and techniques on their instruments. Private lessons are perfect for giving students one-on-one musical attention and focus.

It is recommended that students take lessons once each week for 30-minutes. More advanced students may wish to take 45- or 60-minute lessons. Please call the private teacher directly to arrange lesson times, location, and discuss tuition. Teachers give lessons at NVHS, WVHS, or MVHS and should charge no more than \$26 per 30-minute lesson.

We maintain this list for informational purposes only. This list has been made available for the convenience of District 204 parents and guardians. The School District does not endorse, employ or evaluate the following individuals, but all teachers have cleared a state and federal criminal background check. Teachers listed below also completed a formal interview process, including an interview and performance/teaching demonstration. The district is not responsible for coordinating or supervising lessons. Any lesson arrangements (including payment) made between the parent/guardian and the lesson teacher are independent of the school district.

NVHS Guided Practice Teachers

2022-2023 School Year

Guided Practice Teachers are high school students enrolled in our most advanced band or orchestra class at Neuqua Valley High School. In order to become a guided practice teacher, the high school students undergo training from the NVHS music staff. The training includes how to set-up a studio and how to enhance the music instruction from the middle school staff. Guided Practice Teachers should help middle school students with the materials received from the middle school teachers.

Guided Practice Teachers are not trained to start students. They are trained to complement our school district curriculum which begins in 6th grade.

The rate of pay for Guided Practice Teachers (GPT) is \$10 per 30 minutes for a 1st year GPT, \$11 per 30 minutes for a 2nd year GPT, \$12 per 30 minutes for a 3rd year GPT, and \$13 per 30 minutes for a 4th year GPT. Please contact a GPT directly in order to set-up lessons. For any questions about the GPT program, please contact the NVHS Fine Arts Department Chair, Jonathan_Lauff@ippsd.org or (630)428-6670.
