**Abstract** (Cambria 10 pt, single spacing)

Articles published in **AL-HUDAYA: Jurnal Ilmu Al-Qur'an dan Pendidikan** are original research contributions in the fields of Qur'anic studies, Islamic education, and related interdisciplinary areas. The abstract must be written in a single paragraph (200–250 words), covering the background of the problem, research methods, main findings, and conclusion. The abstract should be written in both Indonesian and English.

**Keywords:** keyword one, keyword two, keyword three (3–5 keywords, Cambria 10 pt, italic if necessary)

## **INTRODUCTION** *(Cambria 12 pt, 1.5 spacing)*

The introduction should explain the academic background of the issue being addressed, present the significance of the topic, define the problem statement, and outline the scholarly positioning. The ideal length for this section is approximately 600–700 words. It must be directed toward the focus of education and contemporary Islamic thought. The writing should be narrative in nature, supported by up-to-date and relevant literature. Avoid generalizations; instead, highlight research gaps, originality, and the scholarly contribution offered by the article.

*Example of body note:*

In the development of contemporary literature, the discourse on the integration of education and Islamic values has become increasingly important as a response to the challenges of modernity (Ahmad 2022, 45).

## **RESEARCH METHOD** *(Cambria 12 pt, 1.5 spacing)*

This section describes the research approach, design, data sources, data collection techniques, and data analysis methods used. Provide a concise yet clear and informative explanation.

## **RESULTS AND DISCUSSION** *(Cambria 12 pt, 1.5 spacing)*

Present the research findings and discuss them in a scholarly manner. Use subheadings if necessary, including tables or figures (if relevant). Apply critical analysis, compare with previous studies, and highlight the scholarly contribution of the research.

### **Subsection 1**

### **Subsection 2**

Tables and figures should be inserted in this section as needed.

## **CONCLUSION** (*Cambria 12 pt, 1.5 spacing*)

The conclusion should address the research questions and present the implications of the findings in a narrative form (not in bullet points). It must contain a strong and clear closing statement.

## **REFERENCES** (*Cambria 12 pt, 1.5 spacing*)

**Please produce a text that uses a minimum of 80% references from journal articles published within the last five years and books published within the last ten years. The citation style must follow the APA (American Psychological Association) format using an in-text citation system. You must use Zotero or Mendeley as the reference manager. The final work should include a minimum of 25 references and a maximum of 40 references.**
