16th June 2022

Dear Cllr Thomas,

**I am writing to you on behalf of the non-profit and Social Enterprise ‘The Queer Emporium’ to challenge the council’s decision to allow the opening of an all-day-drinking and party venue opening directly next to a young person’s orientated LGBTQ safe-space.**

As you might be aware, your licensing committee recently granted a premises licence on the adjacent property for a venue called ‘Blame Gloria’, a venue that is part of the same group as the existing premises “Tonight Josephine” less than 100 metres away. We believe this licence has been granted illegally and in contradiction to the licensing objectives, particularly the protection of children from harm. This venue would be situated immediately adjacent to The Queer Emporium which has a large amount of under 18s visiting it, often from considerable distances sometimes from difficult circumstances. Local Councillors have made the following statement, published on the Cardiff Council website:

***“They convinced the objectors and the sub-committee that they were creating a safe space for women to enjoy themselves and that they would not be encouraging them to drink to excess. We now find that they are offering 3 sessions a day of an hour-long bottomless brunch costing £35 a session when drinks are refilled as requested for no extra cost. To get value for money this would encourage excessive drinking quickly, increasing the risk of drunkenness and the problems that brings. It appears to be attracting hen parties with the aim of getting drunk and is nothing like the venue described at their hearing ... We feel this application will not promote the Licensing Objectives of: The Prevention of Crime and Disorder; Promoting Public Safety; and the Prevention of Public Nuisance in that it will encourage irresponsible drinking, increasing the number of drunken people on St Mary’s Street, creating a nuisance to the public with disruptive behaviour with increased crime and disorder. It would also reduce the safety and the perception of safety to the customers of the Queer Emporium”***

- Cllr Norma Mackie, and on behalf of Cllrs Sarah Merry and Chris Weaver (Cathays and City Centre Councillors)

<https://cardiff.moderngov.co.uk/documents/s60312/Item%202%20-%20Cover%20Report.pdf?>

Furthermore, in the hearing it was detailed by several objectors, including Yan White of The Queer Emporium, that it would absolutely endanger LGBTQ+ children who frequent the space, particularly on weekends when these brunches happen and when school children also have time off. We are writing to you to ask that you issue a revocation order immediately before it is necessary to take further legal action. This is necessary to protect LGBTQ+ marginalised groups, including those who are members of the trans and non-binary communities, queer people of colour, and LGBTQ+ youths who do not have

other spaces like the Emporium.

We also attach a copy of The Queer Emporium's impact report which shows our claims in numbers and statistics to prove that this isn't an empty concern but rather a real danger to our community that you have the power to affect. We would also like to note that this decision seems to directly contravene your own Equality and Inclusion Strategy, particularly point 4:

*"We will demonstrate leadership on equality and inclusion in Wales, holding ourselves to a high standard so others will look to us as a source of good practice"*

We look forward to hearing your response.

Sincerely,

The Queer Emporium
