Ms. Crimi - Physics, Pre-Calculus and BC Calculus

Instructional Guidance

2020-2021 Academic School Year

It is the expectation of West Islip School District that students use their school-issued Chromebooks for all virtual, online and remote learning activities. *These devices allow for the uniformity of management, accessibility and instruction throughout the district.*

Accessing Class Information:

*A students' Google Classroom is the primary source for announcements, content, weekly agendas, links, resources and information for ALL class periods and lessons. Daily. Virtual and Remote.

Accessing Other Resources:

The first three in-person periods of this course were dedicated to logging on, accessing and troubleshooting these apps and platforms.

As of 9/11/2020, all students who attended class have logged in, registered and used each of these applications without issues.

Google Classroom

Students should readily have access to the following platforms using their **Google WIUFSD account information**: EdPuzzle, Kami, Google Classroom, Google Drive and all Google applications (Forms, Docs, etc).

Should We Be Required To Go 100% Remote:

Instruction will continue 100% as planned!
Agendas and schedules will stay 100% as scheduled.
We will meet REMOTE via Google Meets* to continue with the day's lessons and activities.

Individual class period "Google Meet" codes & links are posted under the title of their Google Classroom page, as seen below:
