

## MAP rules

All art work must be your own! If i find out you traced other art, you'll be kicked.

deadline for the finished part is 1 month after you get it. you must show me a wip in the first week.

video size must be 1920 x 1080!

follow the designs! i put some notes next to specific designs, follow them!

if you need an extension, show me a wip of what you have and i can give you 3 days-1 week to finish it.

discord is mandatory! if you don't have discord, you must include another social media you're active on and can respond quickly to or else you can't join

code word is your discord tag or other social media @

i will be a little picky, but don't worry, you can still try out if you're a beginner. who knows, you might get a part!

if i heart you comment, it means i've seen it, not that you're in the map. i'll reply to you if you're in the map

## Thumbnail contest rules

canvas must be 1920 x 1080

thumbnail must include tubbo! you can add any other character to it  
but tubbo MUST be in it

finished submission should have the words "I'm Not Ready Completed  
Tubbo MAP"

again, all artwork must be your own! no tracing or anything.

thumbnail contest will end when most of the parts are done.
