<sup>2</sup>Complete affiliation of Second & third author

\*Email ID (Presenting Author)

**Abstract**

Approx 450-word abstract, The abstract should include a brief introduction providing the context or background of your study, followed by a clear statement of the objective or purpose. Outline the methodology or approach used in your research succinctly, ensuring it is understandable to a broad audience. Summarize the key results or findings, highlighting their significance. Conclude with the implications or contributions of your work to the field. The abstract must be within 450 words, written in Times New Roman, 12-point font, 1.5 spaced, and justified. Include 3-5 relevant keywords at the end. Ensure your submission is free of grammatical errors, non-plagiarized, and in Microsoft Word format. Abstracts that meet these guidelines will be featured in the Conference Proceedings with an ISBN. Selected articles will be published in book series Lecture Notes in Civil Engineering, Springer Nature Singapore.

**Key Words:** 5-6 keywords.
