Make-up Lesson Procedure:

In the event that a lesson needs to be rescheduled, I will email you to set up a day and time. I have built make-up weeks into my calendar for the year. This does not affect the order lessons are delivered in. Any time your SEL lesson schedules change, I will update this document. **You can always view the most recent version of this document by going to the SHES School Counseling Canvas page, clicking Staff Resources, then clicking “View Our Schedule.”**

Lesson Norms:

Expectations for the Counselor

1. The counselor will arrive on time and leave on time, unless the teacher gives permission to run long.
2. If the counselor moves or adjusts anything, they will return the room to its original state before they leave.
3. The counselor will reinforce your classroom behavior routines.
4. The counselor will notify the teacher the day before the lesson that they are coming, as well as let the teacher know whether or not Chromebooks or other materials will be needed.

Expectations for the Teacher

1. The teacher will have students in the room and Chromebooks logged onto Canvas (if needed) 5 minutes before the lesson begins.
- 2. The teacher will refrain from having conversations or doing “housekeeping” tasks with adults or students during the lesson.**
3. The teacher will communicate to the counselor what the common behavior routines are for their students (ex. Attention getters, Kagan structures, etc.).
