Time	Minutes	Objective/Activity
4:30	5	Check in and review norms
4:35	5	Review meeting objectives: • Turf and Track Update from Leadership Team • Playground ADA Compliance Update • Town Council Consolidated School Update
4:40	20	Turf and Track Update • Current timeline and impact to current and future athletics and activities • Mitigation for the Spring season has been completed with funds from the town budget(just under \$10k) • Seasonal testing will be required to ensure safety of the facility-mitigation is unpredictable and could range anywhere from \$10-50K each time it is needed-next test will most likely be in June

Scarborough Board of Education

Long-Range Planning Committee
2020-2021

		• If mitigation is not possible after the next test, fall sports can be worked out with the exception of football • Finance committee will confirm that funds for mitigation are included in the town portion of the FY22 budget, as the town will continue operations of the turf and track throughout the FY22 year • Future potential operations of turf and track are being evaluated by district leadership
5:00	15	Playground ADA Compliance Update • Current status and next steps included in the FY22 CIP Budget • While playgrounds are all technically in compliance with ADA, they are not truly accessible to all students-planned costs in FY22 will address some of the needs to create accessible playgrounds such as new equipment and new surface coverings • Some CRF funds used to purchase matting for the playgrounds-these will be installed as soon as the ground is ready
5:15	10	Next Steps • Leadership to continue evaluation of proposed takeover of Turf and Track from Community Services • BSC to meet with Tom Hall to discuss next steps on the consolidated school in order to move forward with a firm and solidify a contract and costs • CIP planned investments will be reviewed as part of the budget process
5:25	5	Future Agenda Items • BSC Status
