

To the Chairman of the  
Research Ethics Committee  
of SDU University  
K.Smakova

## **Declaration of conformity to the research and publication ethics**

I \_\_\_\_\_ confirm that when carrying out research work for obtaining a PhD degree, including the collection and analysis of data, publication of scientific articles and writing a dissertation, I followed all the principles of research and publication ethics.<sup>1</sup>

I confirm that there is no plagiarism, data falsification and no violations of intellectual property rights in the dissertation.

I am the only author of the dissertation and did not resort to the help of unauthorized persons when writing the text of the dissertation.

I am fully acquainted with the principles of research and publications ethics and am ready to bear responsibility for their breach.

I understand that breach of research and publications ethics may result in expulsion from the University and other disciplinary actions.
