

Qualitative Risk Assessment Template

This template is brought to you by [actiTIME](#), a multifunctional time tracking tool for smart decision-making. Feel free to download or copy the below content for internal use at your company:

	Identified risk	Severity	Probability	Action plan
Financial risks	Taking on significant debt to fund expansion. This could lead to high-interest payments and potentially result in bankruptcy if we fail to generate sufficient revenue to support the debt.			- Carefully evaluate our ability to repay the debt, taking into account such factors as cash flow, revenue projections, and economic conditions. - Consider diversifying the sources of funding (e.g., seeking equity investments) in order to reduce our reliance on debt financing.
Strategic risks				
Operational risks				

Reputational risks				
Legal risks				

Severity & probability levels	Very high	High	Moderate	Low	Very low
