

Aye aye aye so heres the deal all of the prices in the items will be the same value as the art you would normally be paying as a commission but instead of directly paying to me you order an item for me in one of the list and then show proof of order thru a screenshot and then your all set! Just wait till the item finally ships and fully delivered and then I will start your commission in no time!

You are allowed to buy more than one item to up the value of the art you will get!

Anything under \$20 will just be a colored sketch, traditional doodle, or just a quickie!

Any item you order for me will match the amount of money you spent on it which is below like if you buy me a \$15 item it will be just a flat headshot but if you buy \$21 worth of items it will be a icon and \$35 will be a shaded fullbody while prices around \$50 or more will have a complex background

Icons are \$23
headshots are \$20
Bust is \$25
Waist up is \$30
Fullbody is \$35

for chibi its around \$15

Shading is +\$10
Highlights is +\$10
Additional character is +\$10
Complexity +\$10
Complex bgs are +10-20
Simple bgs are free ofr charge
