DS Points Plus

- What is the DS Points Plus program?
 - The DS Points Plus program is our loyalty program that lets you earn points when you shop on DentsplySirona.com.

Earning DS Points is easy—once you enroll and shop online, you automatically start earning points! Once you have enough points, you can redeem them to save on your purchase during checkout.

There are three levels of rewards in the DS Points Plus program based on your total annual spend with Dentsply Sirona in the previous calendar year.

COBALT: Annual spend <\$10,000 = 1 point per dollar

GOLD: Annual spend \$10,000 to \$30,000 = 2 points per dollar

TITANIUM: Annual spend >\$30,000 = 3 points per dollar

For example, if you qualify for the Cobalt level, and spend \$1,000 on certain products, you'll earn 1,000 points. Each point is worth \$0.01, so

1,000 points rewards a Cobalt member with \$10 in savings on a future online order (1,000 points x \$0.01 = \$10).

- How do I reach the next level of the DS Points Plus program?
 - DS Points Plus member rewards levels are based on total spend with Dentsply Sirona the previous calendar year. To reach the next level, you must increase your yearly spend. Then, the following year, you'll advance to the next level.
