502 SEARCH OF STUDENT LOCKERS, DESKS, PERSONAL POSSESSIONS, AND STUDENT'S PERSON

I. PURPOSE

The purpose of this policy is to provide for a safe and healthful educational environment by enforcing Kaleidoscope Charter School's (KCS) policies against contraband.

II. GENERAL STATEMENT OF POLICY

A. Lockers and Personal Possessions Within a Locker

Pursuant to Minnesota statutes, KCS lockers are the property of KCS. At no time does KCS relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by KCS officials for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a KCS locker may be searched only when KCS officials have a reasonable suspicion that the search will uncover evidence of a violation of law or KCS rules. As soon as practicable after the search of a student's personal possessions, KCS officials must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or KCS officials.

B. Desks

KCS desks are the property of KCS. At no time does KCS relinquish its exclusive control of desks provided for the convenience of students. Inspection of the interior of desks may be conducted by KCS officials for any reason at any time, without notice, without student consent, and without a search warrant.

C. Personal Possessions and Student's Person

The personal possessions of students and/or a student's person may be searched when KCS officials have a reasonable suspicion that the search will uncover a violation of law or KCS rules. The search will be reasonable in its scope and intrusiveness.

- C. “Reasonable suspicion” means that a KCS official has grounds to believe that the search will result in evidence of a violation of KCS policy, rules, and/or law. Reasonable suspicion may be based on a KCS official’s personal observation, a report from a student, parent or staff member, a student’s suspicious behavior, a student’s age and past history or record of conduct both in and out of KCS context, or other reliable sources of information.
- D. “Reasonable scope” means that the scope and/or intrusiveness of the search is reasonably related to the objectives of the search. Factors to consider in determining what is reasonable include the seriousness of the suspected infraction, the reliability of the information, the necessity of acting without delay, the existence of exigent circumstances necessitating an immediate search and further investigation (e.g., to prevent violence, serious and immediate risk of harm or destruction of evidence), and the age of the student.
