MSD Google Classroom for Families

Rationale

Google Classroom will be the platform for providing students with assignments, additional instruction for review and extension, curriculum resources, feedback, and assessments. All students are required to use Google Classroom throughout our school year to be prepared for possible closures due to COVID-19, weather conditions, and/or unplanned emergency closures.

How to Access Your Google Classroom

- [Click here](#) to watch a gif on how to access Google Classroom.

- [Click here](#) to watch a video on how to join a Google Classroom.

1. Students will use the Methacton LaunchPad to select Google Classroom.
2. Click the + sign.
3. Enter the code provided by your teacher.
4. Find the name of your class. Click join.
    OR
5. Click on a link sent by your teacher via email.
