Privacy Policy

Master Cluster ("Author") built this app ("Service") as a free app. This Service is provided by me at no cost and is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use this Service.

If you choose to use this Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that Service collects is used for providing and improving the Service. I will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

For a better experience, while using this Service, it may require you to provide it with certain personally identifiable information. The information that it requests will be retained on your device and is not collected by me in any way.

The app does use third party services that may collect information used to identify you.

Link to privacy policy of third party service providers used by the app

- Google Play Services
- AdMob
- Firebase Analytics
- Firebase Crashlytics

Log Data

Author wants to inform you that whenever you use this Service, in case of an error in the app Service collects data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing this Service, the time and date of your use of the Service, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these "cookies" explicitly. However, the app may use third party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

Author may employ third-party companies and individuals due to the following reasons:

- To facilitate this Service;
- To provide the Service on Author's behalf;
- To perform Service-related services; or
- To assist the Author in analyzing how this Service is used.

Author wants to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on the Author's behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

Author values your trust in providing me your Personal Information, thus Author strives to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and Author cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by Author. Therefore, Author strongly advises you to review the Privacy Policy of these websites. Author has no control over and assumes no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

This Service does not address anyone under the age of 9. Author does not knowingly collect personally identifiable information from children under 9. In the case Author discovers that a child under 9 has provided Author with personal information, Author immediately deletes this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact the Author so that Author will be able to do necessary actions.

Changes to This Privacy Policy

Author may update this Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. Author will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.

Contacts

If you have any questions or suggestions about this Privacy Policy, do not hesitate to contact Author at mc@mastercluster.com
