ONLINE LEARNING TIP FROM *DISTANCE LEARNING PLAYBOOK FOR PARENTS*:

Start the day with a routine before online learning begins. A recommendation is that there is a checklist for online learners to follow each school day. Make sure that online learners get plenty of sleep, wake up early enough to eat breakfast, comb hair, brush teeth, change out of pajamas, and organize learning material before online school begins.

Our Learning Focus

Math - Model Regrouping for Addition

Assignments (Homework) to Complete

- Go Math Workbook pages 259 and 260
- Google Form

Language Arts:

- Smoothness
- Consonant Digraphs
- Comprehending expository text

The main **topic** of today's reading was eagles. Based on the expository text, list five or more **key details** about eagles on a piece of notebook paper. They should be written in complete sentences with correct capitals and punctuation. Ask an adult at home to email your handwritten assignment to tamera.steenhoek@southeastpolk.org. Make sure the student's first and last name is in the subject line of the email.
