## Celebrating our Seniors!

March 2024

Dear Senior Parents:

Plans are underway for a special event honoring the MHS Class of 2024. We're celebrating their accomplishments by hosting the Senior Celebration Picnic, organized for students by the senior parents, with help from school administrators and staff and businesspeople in our community. It will be held outside at Mansfield High School on Wednesday May 29<sup>th</sup> and the theme is Tropical Party!

**The Senior Celebration Picnic is sponsored BY senior parents and is COMPLETELY financed by parent and business donations and parent fundraisers.** Our goal is to raise \$18,000 and to keep this an admission-free event for each senior. Your donation today will help defray the cost of hosting nearly 300 students and provide every senior the opportunity to attend this special occasion, regardless of their family's ability to pay.

We know from experience how incredibly generous you have been over the years, from those first days in Robinson all the way to this final year at MHS, and we hope we can count on your support once again to help continue this community tradition for our graduating seniors. Please consider donating today to help host one of the last events of your child's high school years!

The Senior Picnic is a costly event to hold, but providing a fun-filled, safe celebration will far outweigh the expense. SCP committee volunteers are already busy with plans to make this a memorable event by organizing a variety of exciting activities, games, music, live entertainment, gifts and food. **While the party is not until May, it's crucial that our funding be in place as early as possible. If possible, please make any donations via Check or via Unipay (instructions below) by April 5, 2024.**

Thank you in advance for your support!
